Teams,

Please distribute this to all EPA personnel at each site in reference to EPA demobilization Process. Although this does not mention filling out the 221 form, please get them completed anyway. This will at least eliminate DOCL in ICP collecting all electronic documentation!

David,  
This mentions for Dallas & Austin to comply with as well. Not sure if there is anything I would need to do for those location?

Regards,

*Gena Good*
